Summer Assignment

DUE BY MAY 19, 2010: Both students and parents must read and sign the guidelines for the summer assignment as well as the English department advanced placement program.

All incoming English II-Pre AP students must complete the following summer assignment before the first day of class. The summer assignment cannot be made up after school begins, except in the case of transfer students. The summer assignment will count for the equivalent of one major unit/test/project as part of your fall semester grade. It is the policy of Oak Hills High School's English department that students who do not complete the summer assignment will receive a score of zero (*non-negotiable*) for the assignment and/or may be dropped from the Pre-AP class and placed in a regular college preparatory class.

By reading and returning the attached sheet to Mrs. Sherrodd in D-4 by Wednesday, May 19, 2010, students and parents are agreeing that they understand and have received the summer assignment for English II Pre-AP and have read and understand the English department advanced placement program.

DUE BY MONDAY, AUGUST 9, 2010: Read *Night*, by Elie Wiesel and complete the work associated with the book as explained below.

1. Read the novel *Night*, by Elie Wiesel. *Night* is available as a textbook from the library; however, it is a possibility the office may run out of copies. It is strongly recommended that you purchase personal copies so that you may annotate the text as you read. Success in a Pre-AP course is highly dependent on your personal engagement with each text, therefore it is the advice of the Oak Hills High School English department that you purchase personal copies of all major texts studied in this course.
2. Complete the Non-Fiction Major Works Data Sheet (obtained electronically from edline or attached) **must** be completed. It is expected that the Major Works Data Sheet is fully complete and typed.
3. Research other genocides that have occurred over history and choose one that interests you. Focusing on one, find and obtain a piece of writing, a piece of art, and six pictures that illustrate the timeline of events surrounding that annihilation. Create a display, either on paper or electronically, of your discovery. In addition to the selection you pick, include a typed explanation of the reason you chose each particular piece and how it connects to the instance of genocide that you have researched.

Program Philosophy

The English / Language Arts Advanced Placement program at Oak Hills High School focuses on providing a sequence of courses designed to meet the educational needs of students who are capable of and committed to high academic performance. We believe our Pre-Advanced Placement (English I and II Pre-AP) classes provide a substantial base for the upper-division Advanced Placement (AP) courses offered, preparation for successful completion of the AP Composition and AP Literature exams, as well as a preparation for college and University courses. Our Pre-AP and AP classes go beyond the college preparatory level courses to provide a depth of investigation that allows students to analyze and evaluate critically and further apply their conclusions. The depth, complexity, and pace of these classes are, therefore, more demanding.

Standards for Participation in Oak Hills High School Pre-AP / AP English Courses

The English department's philosophy is one of inclusion and, as such, we believe that all students should be given an opportunity to participate in and benefit from the rigorous, challenging curriculum that is characteristic of Pre-AP and Advanced Placement courses. Nevertheless, course work in the English AP program *is* geared toward the above average student. Scholars who choose to participate in the Advanced Placement program have the right to a learning environment that supports their need for high-level thinking and scholastic achievement. Therefore, beyond individual aptitude and desire, maturity and a serious attitude toward academics are requisite in order that *all* students may experience optimal growth.

Academic Probation

The following policies and procedures have been established in order to protect and maintain the integrity of the Pre-AP / AP program:

1. All Pre-AP and AP students are expected to achieve a grade of at least a 2.00/C- in the English class.
2. Consistent and responsible *effort* is expected, as are mature, appropriate behavior and serious, meaningful participation, which contributes to every Pre-AP or AP student's learning.
3. Any student whose grade falls below a 2.00/C- at any four-week progress report, eight-week grading period, or semester report card is automatically placed on academic probation.
4. Students and parents will be notified of placement on academic probation by letter and/or phone contact. At that time, a conference involving the student, parent(s), teacher, and counselor will be offered.
5. After the next eight-week grading period ends, students are reevaluated. If a student has not made acceptable progress, the teacher, counselor, parent, and student meet to discuss the student's status. At that time, a determination is made as to whether the student will remain in the program.
6. Should the student's English grade remain below 2.00/C- at the end of the semester, he or she may be dropped from the Pre-AP / AP program and transferred to a College Preparatory class.

Students who demonstrate behavior that is detrimental to their peers' being able to experience a Pre-AP or AP level education may likewise be dropped from the program. Transfer from the program based on behavioral issues shall be considered subsequent to a student/parent/teacher/counselor conference and only if such measures prove unsuccessful

STUDENT ACKNOWLEDGMENT:

I have read this packet of summer reading assignments and understand the rigorous requirements for this Pre-AP class. I understand that I will be enrolled in a challenging, college-level class that will require consistent study, eager participation, and maturity and ethics commensurate with a college student. I understand that CST/SAT-9 reading comprehension scores below the 80th percentile indicate possible struggles to keep up in this Pre-AP course. I understand that I must secure a copy of the said novel(s) and complete a careful reading prior to August 9, 2010. I will obtain a copy of the book(s) and complete the assignment(s) in a professional and timely manner.
